History of The Dance

After a two year break, (due to Covid) we were thrilled to bring this fabulous event back in 2022! In celebration of the Wolfeboro Nursery School's 70th Anniversary we are excited to open this year's event to mothers and sons as well!

The Annual Dance, now in its 24th year, is a much loved, annual tradition in the Wolfeboro area for girls (and now boys!) aged preschool - 6th grade and the special gentlemen (and ladies) in their lives. In addition to dinner, dessert and cash bar, there will also be music and dancing, costumed guests, lawn games, adult and children's auctions and a photo booth. Past events have had 200+ dads and daughters in attendance, and have sold out repeatedly. We'd love to have your support at this wonderful community event!

The Father Daughter Dance is the main fundraising event for the Wolfeboro Nursery School, who has served thousands of local children and young families in the greater Wolfeboro Area for nearly seven decades!

We are a non-profit, cooperative preschool offering a developmentally appropriate education experience for all children ages 3 to 5. We believe children are diverse learners, who benefit from our setting which encourages creativity, questioning, risk-taking, and exploring the world around them. In our atmosphere of mutual trust and respect, the carefully planned curriculum fosters the love of learning during a child's first school experience.

Funds raised through this event, allow us to continue employing quality teachers, providing scholarships for families in need, maintaining our indoor and outdoor playspaces, inviting dance, yoga, and music teachers in to create enrichment programs and much more! Your support of our school is so appreciated!
